

Welch Entrance to L2/L3 Employee Parking Lots Closed Friday, February 7, 2014

On Friday, February 7, 2014, the Welch Road entrance to the L2/L3 permit lots will be temporarily closed in order to accommodate City of Palo Alto utility work in the Quarry and Welch intersection.

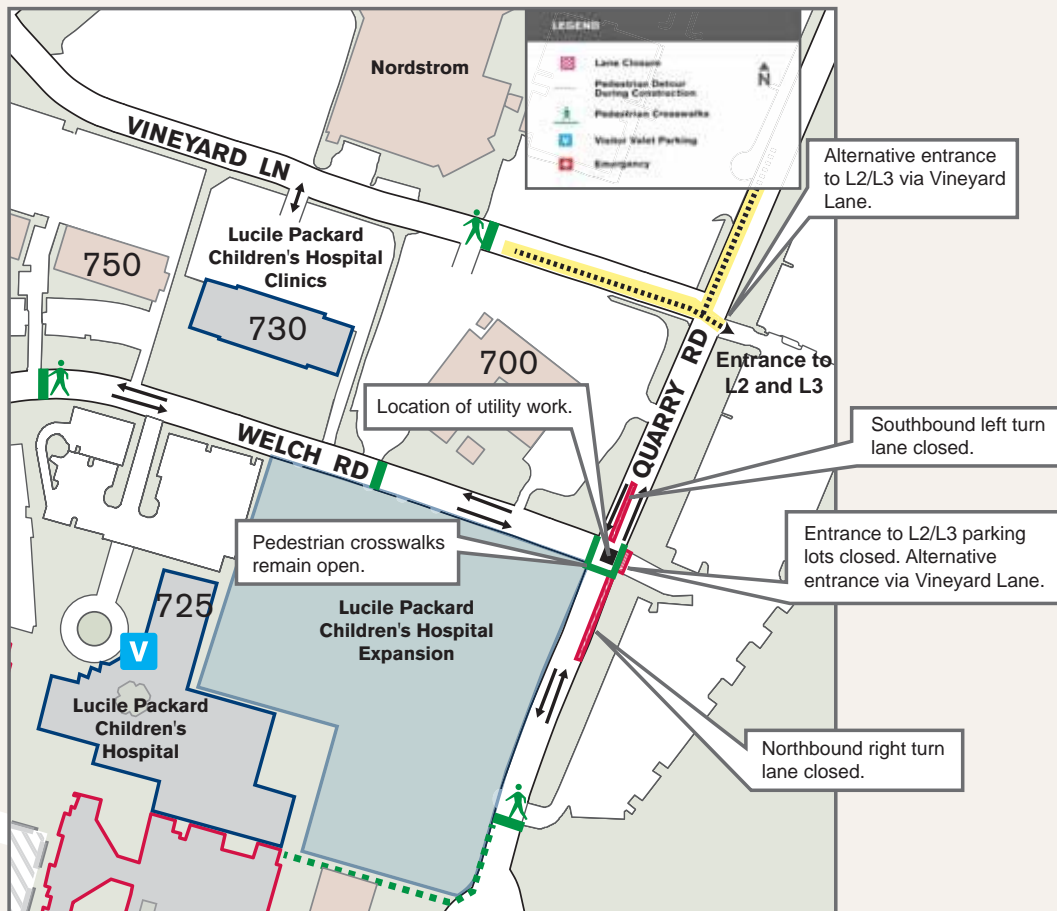

The closure to the parking lot entrance will begin at 10:30 am and is scheduled to remain in place until 10 pm.

To access the L2/L3 parking lots, please use the entrance located off of Vineyard Lane.

During this time, the southbound left turn lane into the L2/L3 lots on Quarry at Welch will be closed. The northbound right turn lane on Quarry and Welch will also be closed.

Access to the existing pedestrian crosswalks will be maintained at all times. Bicyclists may share the road with cars.

Thank you for your patience as the City of Palo Alto performs necessary utility work to support the Lucile Packard Children's Hospital Stanford Expansion Project.

Thank you for your patience and cooperation during construction.
